Chief, JOT/TR	2219 Alcott	/s/ WLE	As a result of the Inspector General Report on the Office of Training, a committee was formed to consider means of improving the JOT Program.
DDP/TRO	2405 K	/s/ EP	Regarding recruitment, one way of effecting improvement might be to obtain a greater number of candidates with business and other diversified experience and who are more mature than the average college graduate.
Chief, OP/POD/PMB	1511 Curie	/s/RAC	The committee concluded that one area of some potential is the American communities abroad. It is not expected that this source will produce large numbers of candidates but we hope that it will produce a few unusually well qualified candidates. Recommend approval.
